There was a young kid who was born in islam religion and when he prayed and started believing in unseen god then allah of islam was dying because of his believe in unseen as he was becoming lie so allah last who is imam mahdi didnt let allah die by giving kid 7 and half years of masterbation to do and die even if he believes in allah or pray for allah.

The young kid got understanding at the age of 5 years and he was young and beautiful and didnt know about the humans so he didnt know about the truth of worlds of god and after few years he started doing masterbation and continously did masterbation daily for 2 to 3 times and sometimes very often in week and he use to cry because he didnt know why he is doing masterbation daily and how to stop it. He prayed to allah and went to mosque regularly but allah and mosque angels didnt do anything because they know how anyone gets fate and they have to save allah from a kid who believes.

While the kid was doing masterbation in 7 and half years he felt in love with girls and whenever the kid was loving girls then allah was dying and islam religion was losing from the kid so imam mahdi and his grand fathers earlier generation imam hussain became enemy of kid.

Islam religion didnt allowed kid who became young while doing masterbation for 7 and half years not to love girls and left to die.

Kid was having big pimples in head after continously doing masterbation for 7 and half years and his face became of old man and he was looking ugly. He didnt know what to do and even his father was believer of allah who was his kid enemy since childhood who was not human from mind.

Then kid who became young man started coming to know truth how everything happens in the reality and he wanted to take revenge and prayed for different religions but islam was his enemy and they didnt let him pray for different religions from mind so allah is saved from his believe because allah was dying whenever the kid was believing in unseen god and loving girls or loving anybody else.

But kid prayed for one holy book truly and love unseen god truly and he levitated and he was saved from different religion and he converted later after knowing everything in the reality happens from mind through memories from worlds of god.

As soon as islam religion came to know truth that kid is saved and not dying then immediately islam religion awake there dead ones so the dead ones believes in the kid and awakes and force him to die so there allah is saved.

Kid became young but he didnt knew truth and he was controlled by islam religion to sin and it was imam hussain who controlled the kid who became young to piss on his youngest son imam zainul abideen religious place so his young son kills the kid by believing kid made his life bad. The fate for the kid to piss on imam zainul abideen religious place was kept inside the kid by panjeshah imam bargah of islam and the kid was saying after pissing he only did pissing and allah and islam religion and allah angels said its true the kid only piss because they wanted to kill the kid since childhood so allah is saved and not die.

Now only if imam zainul abideen spirits comes to know the kid piss or someone pissed then immediately there spirits visits kid to kill him and finish him even after knowing truth which evil sinner forced the kid to piss on thre religious

place and why ? because they wanted to save there allah and islam religion wanted to kill the kid since he was kid and who was believing in unseen god.

The awaken dead ones of islam religion sent the kid to allah home to saudi arabia to be killed by them but the kid didnt went to allah home from mind as the genies were inside mind of kid since childhood so allah of islam doesnt dies as they were keeping the kid mind in prison so if the kid believes in unseen god then allah will die and if the kid loves any girl then allah will die.

The kid came back to his country and as soon as islam religion came to know truth that allah has become lie because the kid gets spirits then they decided the kid to do lots of sin whenever islam is proven as lie or whenever islam becomes lie.

Whenever the kid was loving unseen god immediately the islam girl spirits was coming in kid and doing sex with the kid so nothing will happen to allah and islam and they brought some kids of love of kid in islam religion so islam comes to know everything about the kid what he thinks and what he understands and to control him and not love unseen god they brought up kids in there religion and kept the kid in home since childhood by keeping spirits in mind so allah of islam doesnt dies because of kid.

The kid was not having consciousness in his dream after he sleeps and he saw he is in kaba home of allah sleeping and he found out that it was because of

some islam girl spirit who born kid with the kid who forced the kid to see a dream according to him where the kid was not having control and consciousness.

Saudi arabia spirits said allah has met you and he has made you one god of time and saudi arabia spirits got command from there allah as saudi arabia spirits believes that this kid must not come in the worlds of god and he must not be loving allah and he must be proven as lie and wrong and allah must be declared as done mistake and world war 3 must happen after allah is declared as done mistake.

The reason allah wanted to be proven as done mistaken because he told his islam religion in advance that he will be doing mistake in advance and world war 3 will happen because of his mistake and if he doesnt proven as done mistaken then he will die because the kid will become true and allah will become lie because allah wanted to proof the kid as wrong because he was dying since the childhood of kid who was believing in unseen god.

The kid left islam religion long time back and converted to the religion in whose god he believes after becoming young but allah and islam was his enemy and they kept the kid blocked through islam spirits who came in his country from saudi arabia in home so he dies and nobody comes to know truth whether the kid is true or not.

But the unseen god visited the kid and made him his last and complete family of his universe visited him and did everything to save him but allah wanted to save himself so he started becoming evil sinner to save himself and started forcing the unseen god some of family spirits to become bad so when the kid comes to know about the spirits whom he loves that they are bad then the kid will not love those spirits and when mind of kid will not work then the kid will not be able to believe in unseen god and the kid will not be able to love spirits whenever he comes to know that spirits are bad whom he loves.

Allah and islam religion came to know truth and they forced the universe some of family spirits of unseen god to be controlled by them through memories by proving they are true and controlling the kid because they knew about the kid.

They tried to finish complete universe family of the unseen god whom the kid believes so allah is saved but the kid didnt lost from anyone and he won from everyone by proving truth to everyone in reality.

The universe family spirits of unseen god loved the kid truly and the kid loved universe family spirits of unseen god truly and they were like love birds.

Unseen god made the kid one god of time but allah of islam religion wanted to proof the kid is not true and sinless because since the childhood of kid allah and islam was forcing the kid to sin by doing sins on thre religious place so they will not forget the kid by casing on the kid from the worlds of god that the kid is bad and not true.

Allah and islam even made the khuda god and christian god and hindu god as evil sinner who was trying to save the kid. Allah and islam forced everyone who loved the kid to become against him and become the kid enemy so the kid dies and allah is saved and islam is saved.
